To-day's games Wheeling at Fort Wayne, Youngstown at Toledo, New Casile at Dayton, Mansfield at Springfield.

The bulletin winked at the "knocker,"
Whose words would have melted ter;
"That the Wheelings have now won twice.
If the Wheelings have now won twice.
If the Wheelings have now won twice.
If have no lity for you, bad man,
and I'm tiekled at the score;
Your town has got the 5, had man—
Your side has got the 4."

special Dispatch to the Intelligencer. FORT WAYNE, May 7.—To-day's game was the most hotly contested one of the season and was won by Wheeling's batting rally in the seventh in-ning, when a bunching of hits by the Nailers, with some costly misplays by the home team, gave Wheeling three runs and the lead by one run, Until the runs and the lead by one run. Until the seventh Wayne had been quite effective and the four runs scored by Fort.Wayne in the opening funing seemed to be more than enough to win. But the Nailers kept plugging away for all they were worth and won out in a close fixinh. Garvey was hit safely nine times, while Wayne was touched up but six, but the Wheeling boy kept the hits scattered and was effective at critical points. Two brilliant double plays by the visitors cut down the home team when runs seemed a certainty. The umpiring was done by Miller, of the Fort Wayne team. Fort Wayne's inability to hit Garvey after the first inning, and Taylor's two-base hit in the seventh inning with the bases filled with Nailors tells the story of the game. McSteen, it seems has not been released. He was injured in Thursday's game and Coyle is playing right field while Mac is laid up. McSteen will be seen in the game to-morrow. Baker is to pitch to-morrow. The Wheeling management to-night announces that no changes in the team are contemplated.

two other clubs for the eighth place, and this morning the Nallers are on a tie with two others for second place. Wheeling in second place, losing to-day, and Youngstown. In eighth position, winning to-day, would place the two teams on a tie. Such a close scramble is seidom witnessed in base ball or any other sport.

The knockers at home are seeking their holes. Wheeling's record in whining three out of five games played on the trip is so good that the knocker's occupation is gone. Even if to-day's game at Fort Wayne is a defeat for Coyle's boys, their record on the trip will be all the cranks can desire. No-body expected the Nallers to do more than break even on the trip, and that is what they will do even if they lose to-day. But that game isn't lost, and it may be three straight from the Hoosiers.

Wheeling is scheduled to play at Fort Wayne on Sunday.

The Nailers open a series of three games on the home grounds next Monday afternoon, and it is safe to predict that their good work abroad will bring out the fans in large numbers. After the Youngstown games here, the two teams go to Youngstown, so that they play a straight-away series of six games.

"Jack" Baker will pitch to-day .

That was a great game Whaley had at second yesterday. He accepted twelve chances without a misplay.

Taylor made some errors, but he goes after anything, taking desperate chances that other infielders would not think of, "Bill" is all right.

There is nothing in the world so pitiful as a neglected baby. There is no sight so sad as that of a helpless infant denied its birthright, a mother's loving care. Thousands of mothers neglect their children because of ill-health. No woman can properly perform a mother's duty who is constantly suffering from sickness, whose system is debilitated and wrecked by the awful drains due to the diseases and weaknesses peculiar to women. The mother who suffers from the listlessness, lassitude and despondency due to these troubles is pretty sure to neglect her children and her home.

This lamentable state of affairs is easily remedied if the proper measures are taken. Dr. Pierce's Pavorite Prescription is an unfailing cure for all the many forms of weakness and disease of the organs distinctly feminine. It promptly stops all weakening drains, invigorates the various organs and infuses new life and vigor into the sufferer's whole body. A happy home and a tidy and well-card for baby is the result, for no healthy woman will wilfully neglect her child. Many a woman is blamed for negligence and heartlessness when she is simply too ill to care for anything but death. If you want to know all about the "Favorite Prescription" address Dr. R. V.
